For bookings for a half day keeper experience please call 01538 308293

Should you wish to email please attach a contact phone number for a member of staff to call you to arrange a date and time - this will speed up your booking, we will not book from an email alone, you will need confirmation over the phone.

Please note we are now fully booked until the end of April at the weekend, should you wish to book a weekend, and providing you have not already booked a place we will honor booking now into May/June. Please don't try to cancel an existing booking and move to May/June, these dates are for first time bookings only. If you have to move a date booked already before April 9th we will not move to May/June.
